Severiano Badajoz

sevebadajoz@gmail.com
(949) 629-0536
https://www.makeschool.com/portfolio/severiano/

Severiano's love for computer science began midway through middle school and has only grown since. From a mixture of both self-teaching and classroom experience he has become an avid Java developer and familiar with Android development. Seve loves to face challenges and adapt to new problems faced, learning to use new tools along the way. He is excited to join the Make School community, confident in his ability to exit as a exceptional web developer.
